

# Emergency ID Card

Fill this in on screen, then print. Both cards fill in together: one for your wallet, one for your child's bag. Each half is bank-card size, so the folded card fits a wallet slot.

- 1 Fill in, print, add a photo    2 Cut along the dashed outline    3 Fold on the centre line    4 Tape or laminate

|                                                                                                                                                       |                                                  |                                                                                                          |  |
